

Dear Sir/Madam

Greetings from **Master's in Sustainable Development (KUMSD)**

It's our great pleasure to inform you that this master's program of international importance is being offered at Kathmandu University. Please feel free to circulate this to anyone interested in the 2026 admission call.

To start with, here is the link: <https://soed.ku.edu.np/admission-master>
Deadline for application is June 25, 2026.

Note: Students study this master's online (from home), coming to Kathmandu campus for only one week every six months. For more details, contact the address given below.

Best Regards
